Engaging and empowering stakeholders and local agencies in Colombia
Colombia committed to reduce GHG by 20%
Campaña por el orgullo Cuenca río Cali
Strengthen local governance through management committees.

1. Strengthen local governance through management committees.
2. Create new social norms and behavior change.
3. Improve land-use practices.
4. Conserve and/or restore water-regulating ecosystems.
The power of Pride

Two-year capacity-building program

- #contracts (cumulative)
- kilometers
- ha improved management
- ha under contract
