

# Eye on Latin America and the Caribbean at World Water Week

Stockholm, Sweden

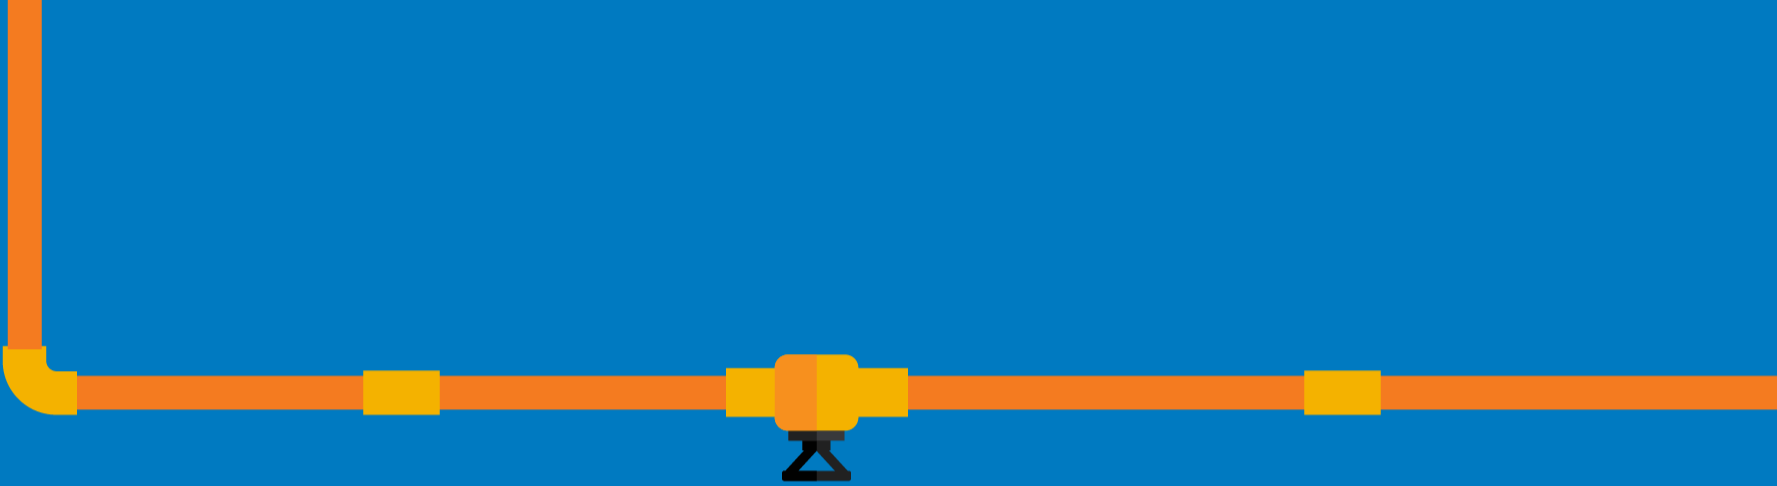

August 28, 29 & 30, 2017

**SDG 6**

**Ensure availability and sustainable  
management of water and sanitation  
for all**

2015

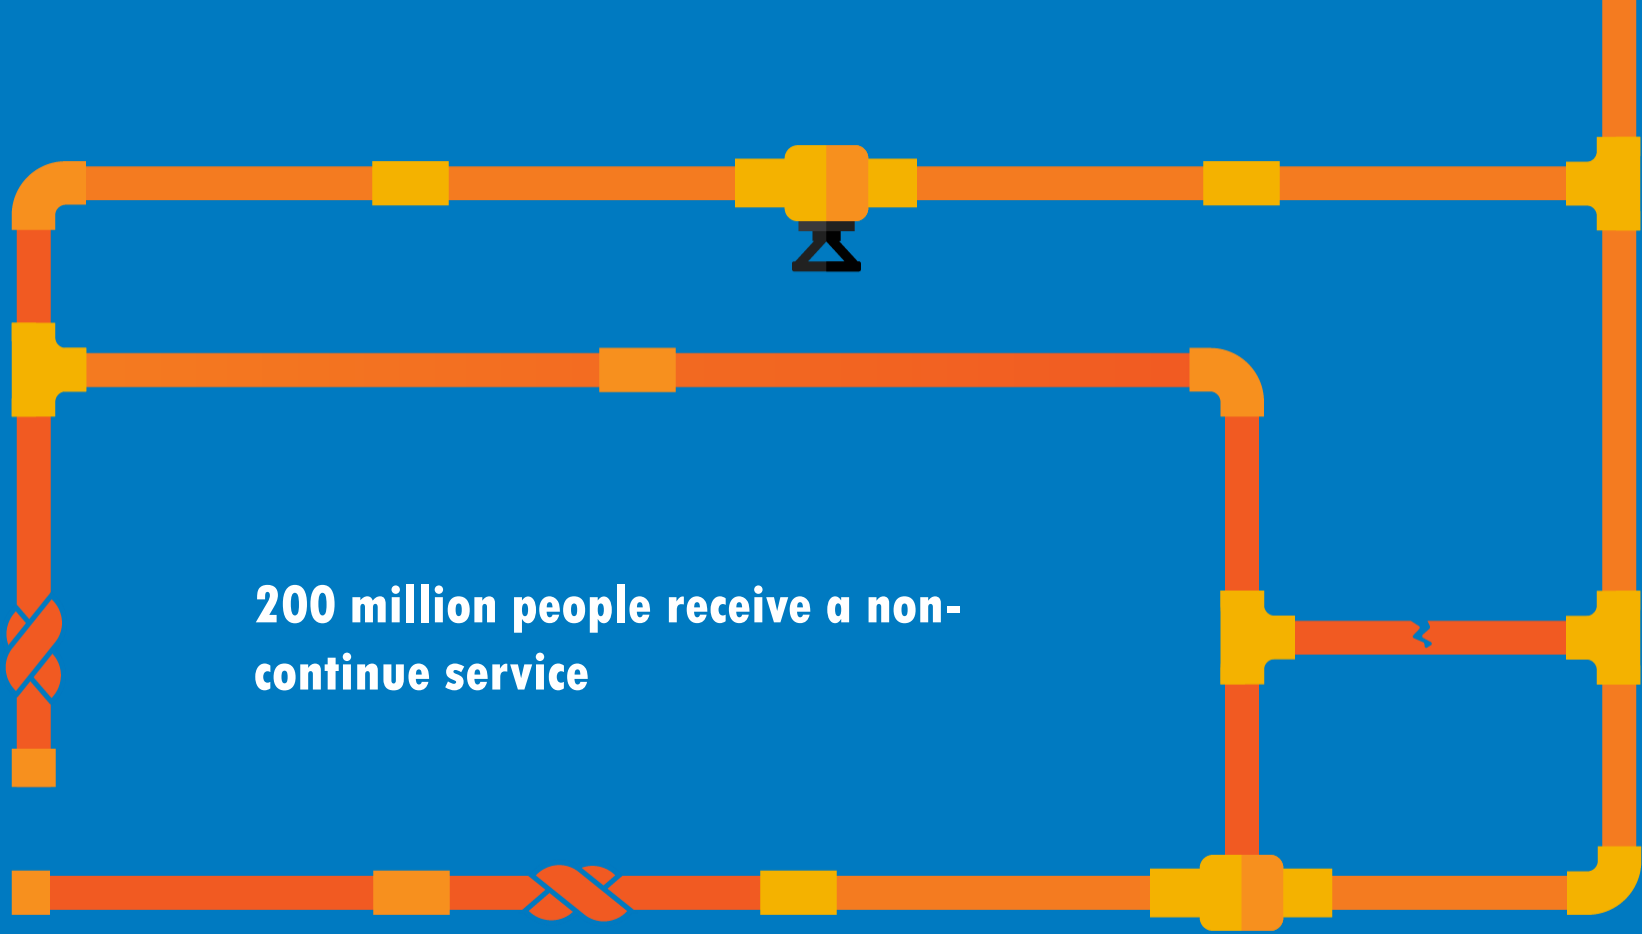

A stylized orange pipe with a valve and elbow, set against a blue background. The pipe is horizontal, with a valve in the center and an elbow on the right side. The valve is a black handle on a circular orange base. The pipe is composed of several segments separated by yellow joints.

**1990-2015**

**220 million people with access to safe  
water and sanitation**

**200 million people receive a non-continue service**
