WOMEN + WATER ALLIANCE STRATEGY

Melissa Fifield

SENIOR DIRECTOR SUSTAINABLE INNOVATION,
GAP INC.

WOMEN + WATER ALLIANCE STRATEGY

The goal of the five year Women + Water Global Development Alliance is to **improve and sustain the health and well-being of women and communities touched by the apparel industry**

WOMEN + WATER ALLIANCE OBJECTIVES

Advance women's self-efficacy and agency through P.A.C.E.

Accelerate women's access to sustainable WASH services

Aggregate stakeholders to improve water supply and sanitation financing availability and management of community water resources

Share information, collaborate, and build partnerships across and beyond the apparel sector to further the impact and extend the reach of the partnership

SENIOR DIRECTOR SUSTAINABLE INNOVATION,
GAP INC.

AUDIENCE DISCUSSION

**WHAT ARE OTHER
STAKEHOLDERS,
ORGANIZATIONS, INITIATIVES,
AND APPROACHES THAT WE
SHOULD BE AWARE OF BOTH
INTERNATIONALLY AND IN
INDIA?**

THANK YOU
