

Tackling Inequalities in the Era of the Sustainable Development Goals

WASH Poverty Diagnostic Initiative

Stockholm, Sweden 2017

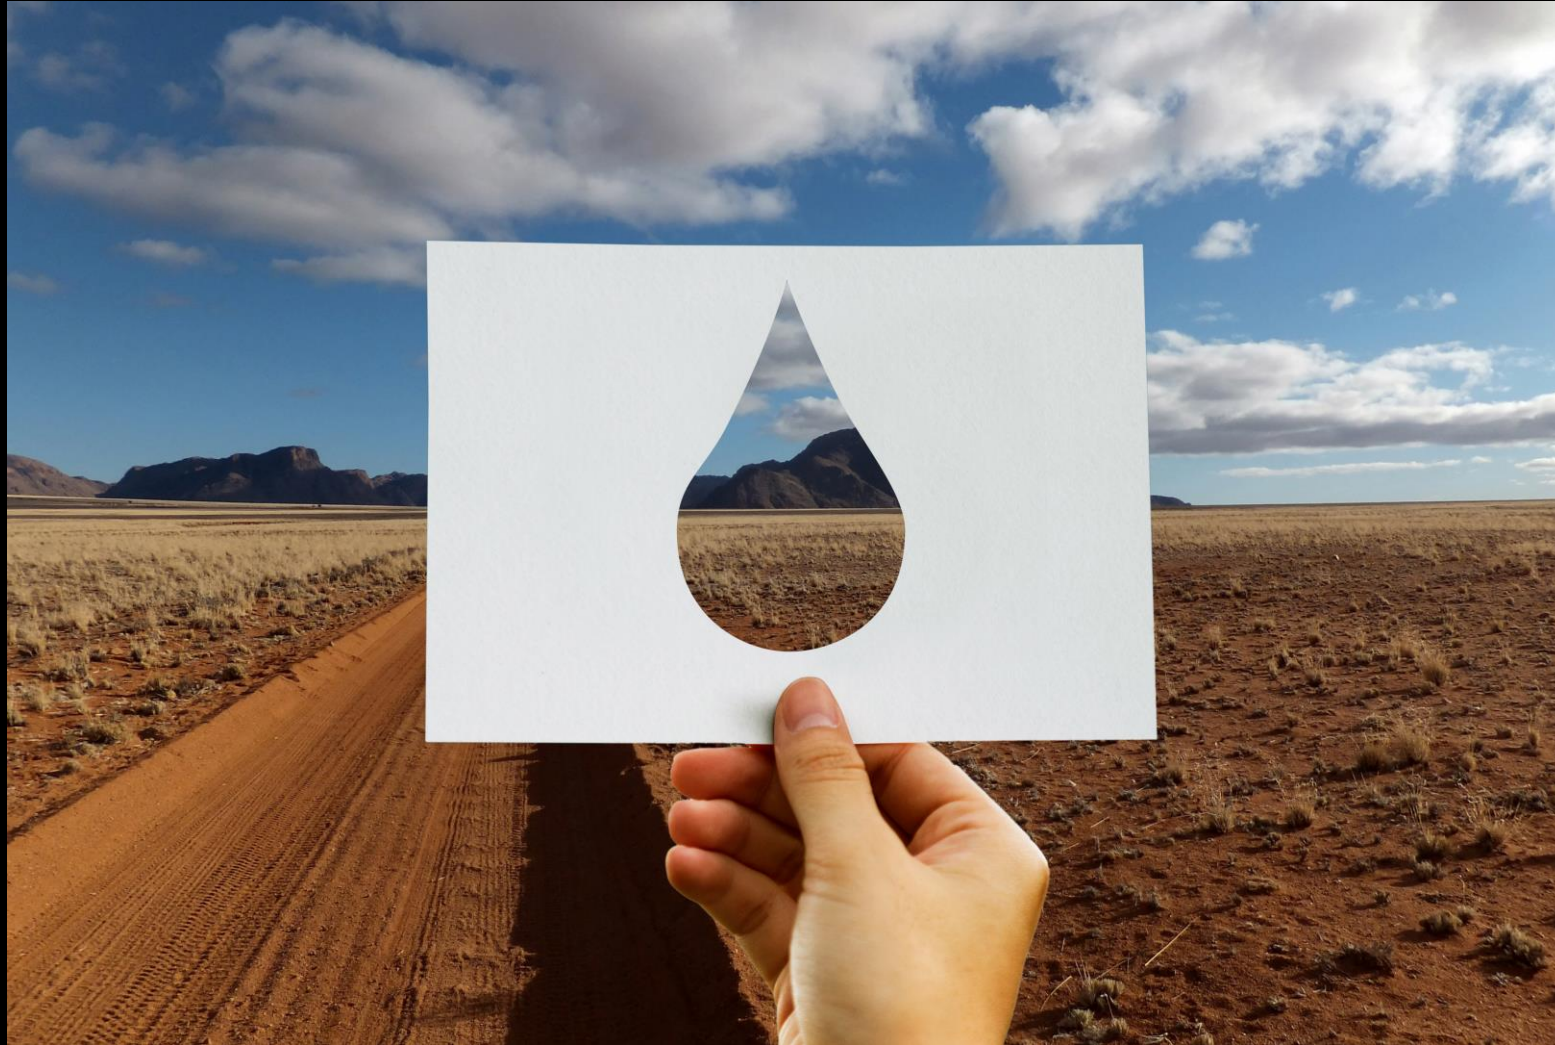

Think and Work Differently

Think and Work Differently

Think and Work Differently

What is the difference?

Piped water

Pond water

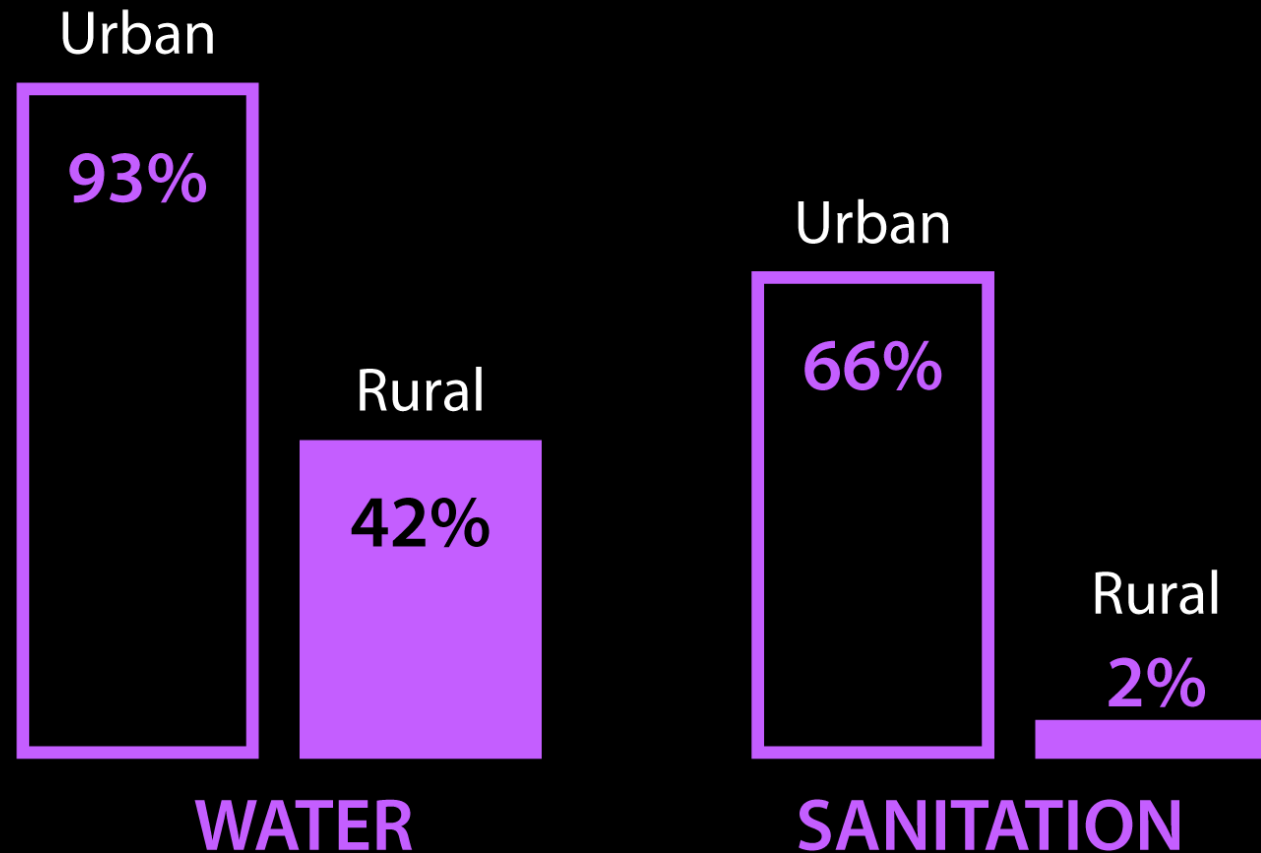

Think and Work Differently By

Coordinating interventions across sectors to improve human development outcomes

Better targeting investments to reach the poor

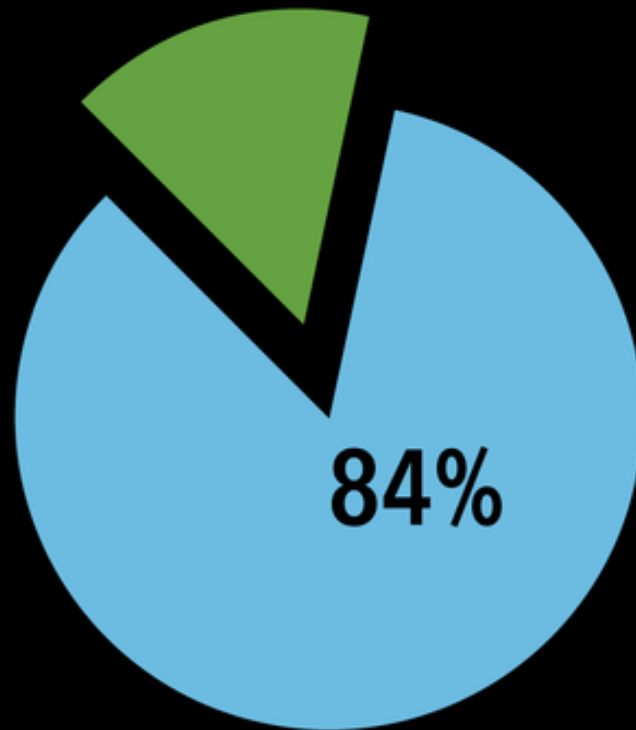

Investments need to be better targeted

NIGER POPULATION ACCESS

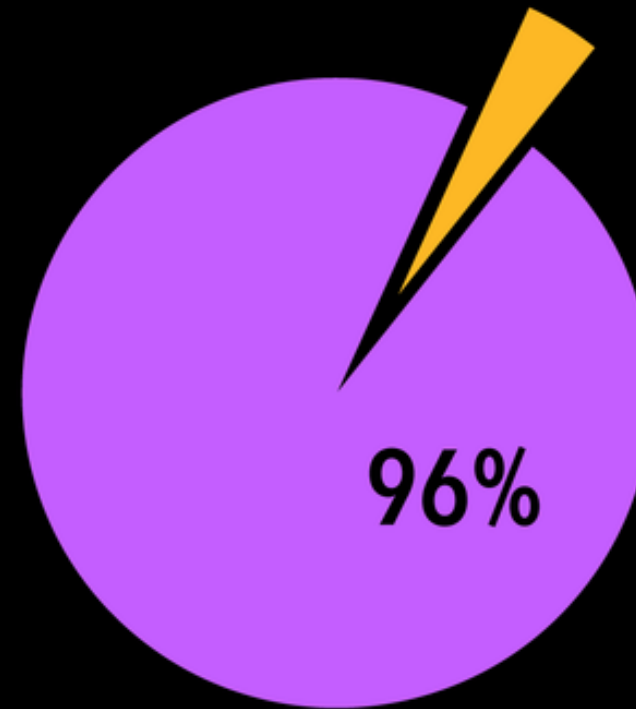

Investments need to be better targeted

NIGER POPULATION

● Urban
● Rural

NIGER POOR

● Urban
● Rural

Thinking and Working Differently

Interventions need to be coordinated across sectors to improve human development outcomes

Investments need to be better targeted to reach the poor

Bridge the gap between policy and implementation

Bridge the gap between policy and implementation

Accountability

Bridge the gap between policy and implementation

Political
Economy

No One Size Fits All Solution

Thinking and Working Differently

Think and Work Differently By

Coordinating interventions across sectors to improve human development outcomes

Better targeting investments to reach the poor

Bridging the gap between policy and implementation
