

Hydropower stakeholder dialogue in Sweden

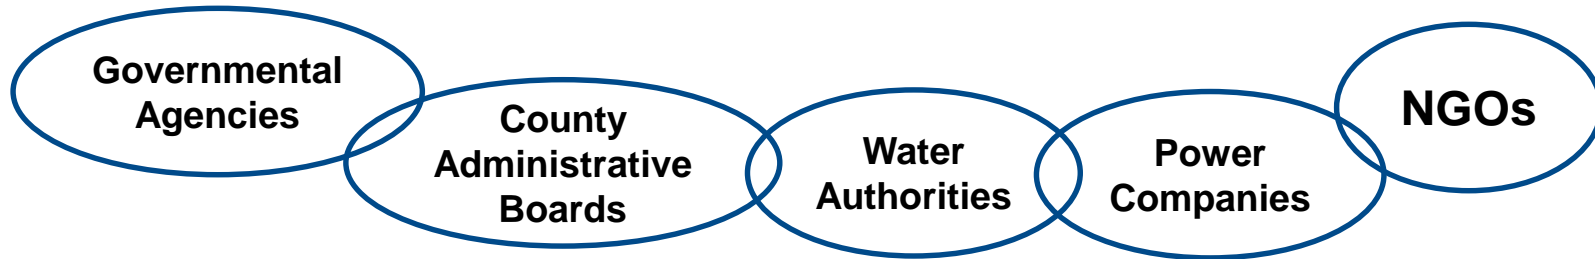

World Water Week, Stockholm, 29^h of August 2018

Inger Poveda Björklund

Swedish Agency
for Marine and
Water Management

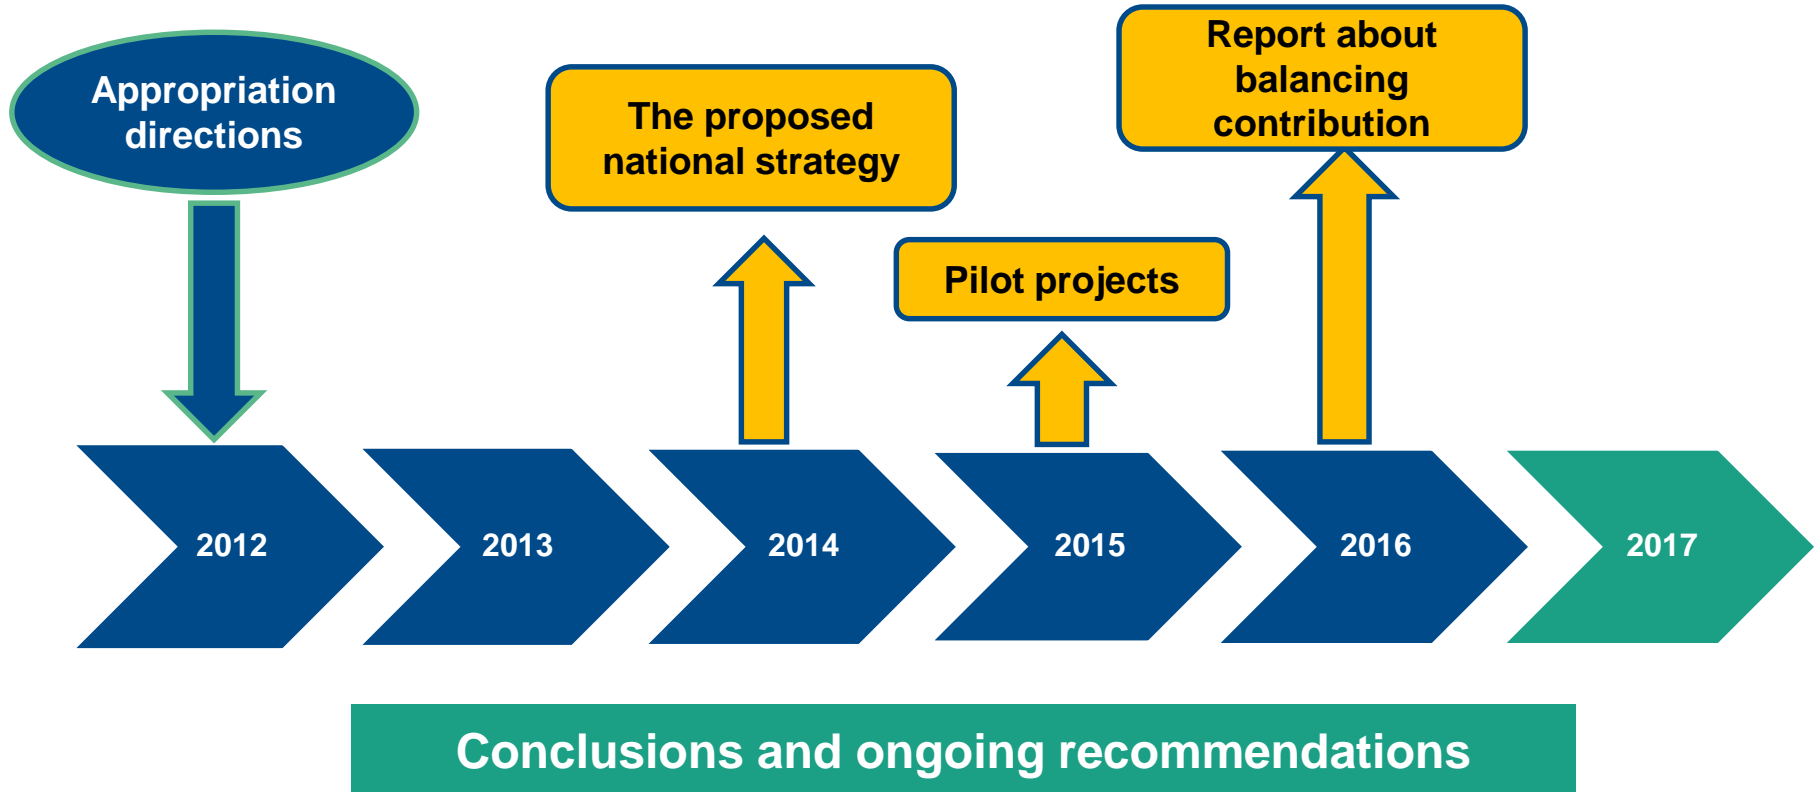

How the hydropower dialogue was initiated?

- Appropriation directions 2012 – 2017
- Gather stakeholders in a dialogue with the aim of gaining increased consensus on hydropower and established national objectives
- Enable different stakeholders in hydropower to incorporate valuable knowledge as well as provide information and views

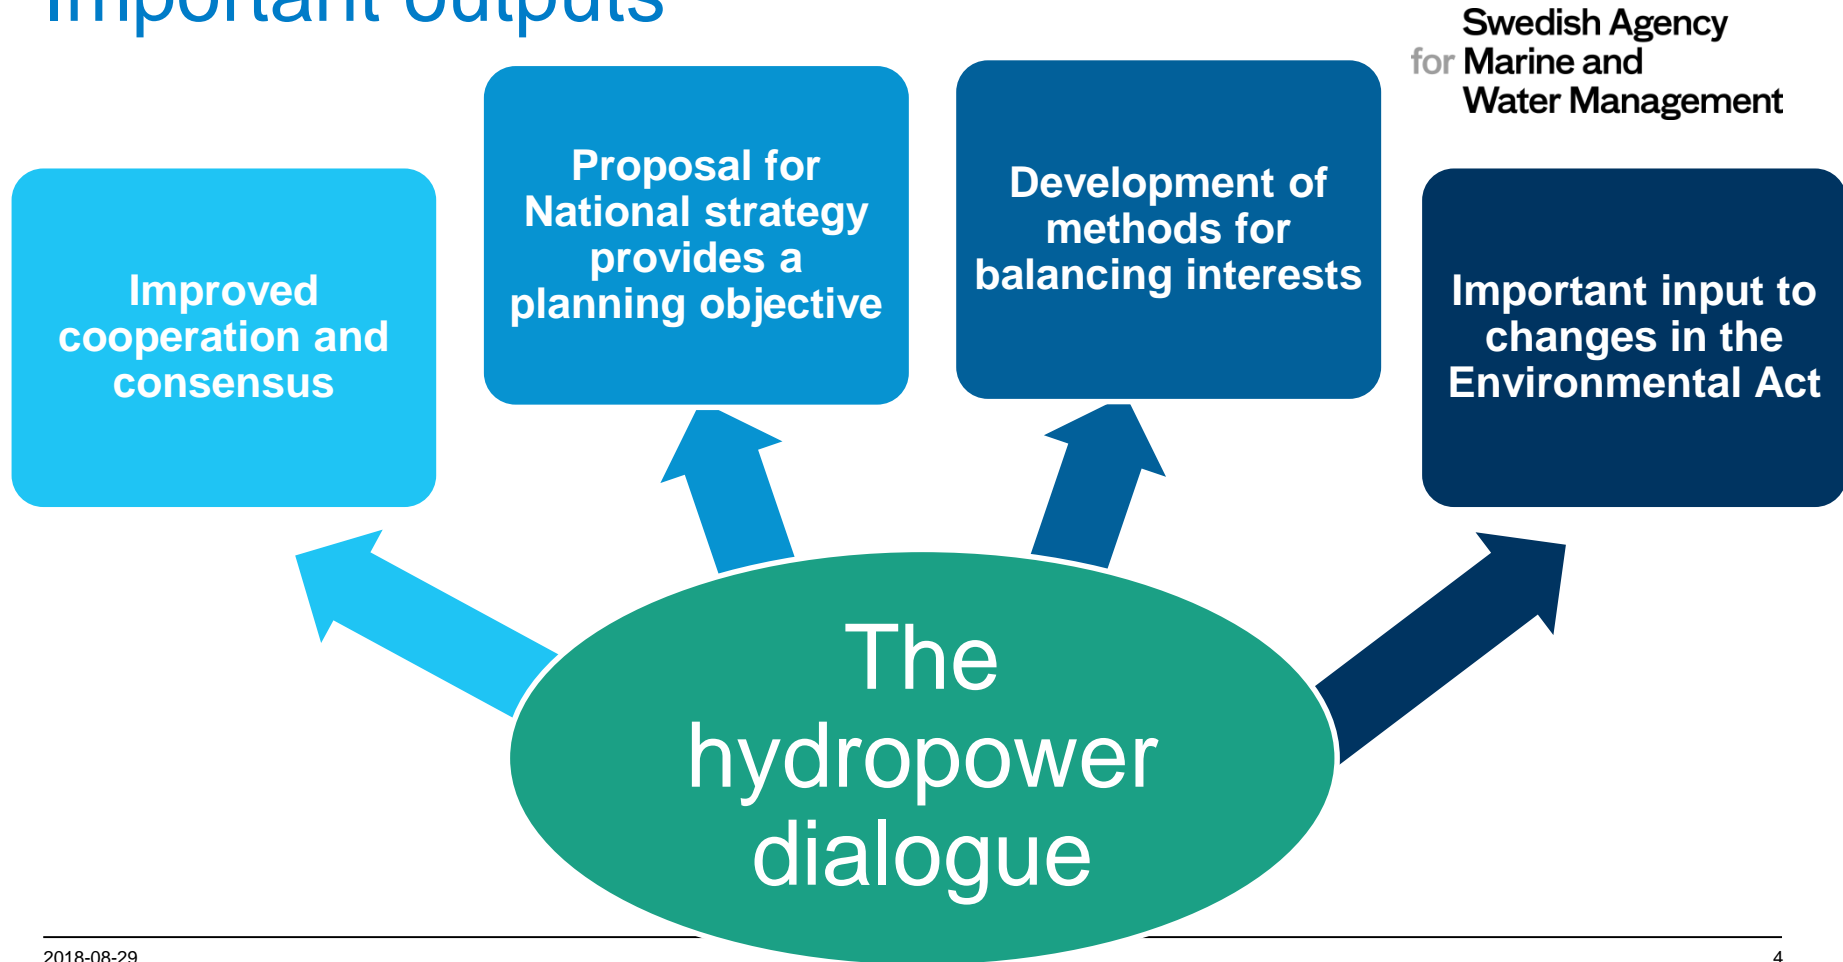

Hydropower stakeholder dialogue

Swedish Agency
for Marine and
Water Management

Important outputs

Thank you!
