9TH WORLD WATER FORUM "DAKAR 2021"

WATER SECURITY FOR PEACE AND DEVELOPMENT

Stockholm, August 30, 2018

Bai Mass TAAL

Special adviser for the 9th World Water Forum

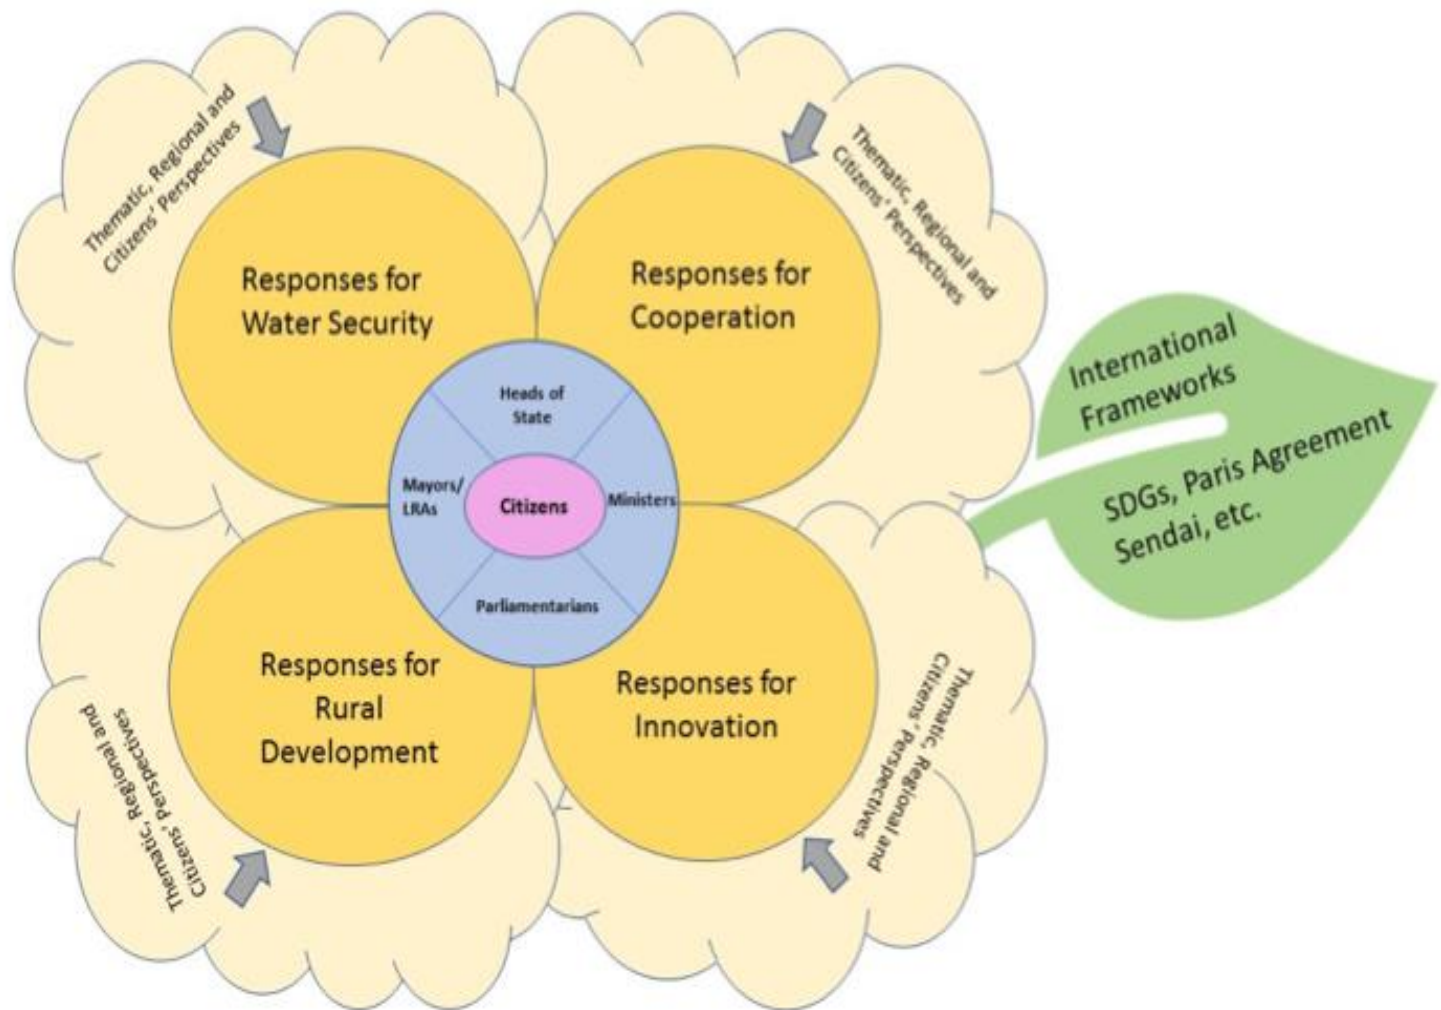

"DAKAR 2021": A NEW VISION OF WWF

- ⊙ A more focused, inclusive WWF, a catalyst for action on water and sanitation commitments.
- ⊙ A socially, politically and economically effective WWF.
- ⊙ A contextualized and connected WWF: links with other platforms and international frameworks (SDGs, Paris Agreement, Africa Water Vision 2025, Africa Agenda 2063, etc.)

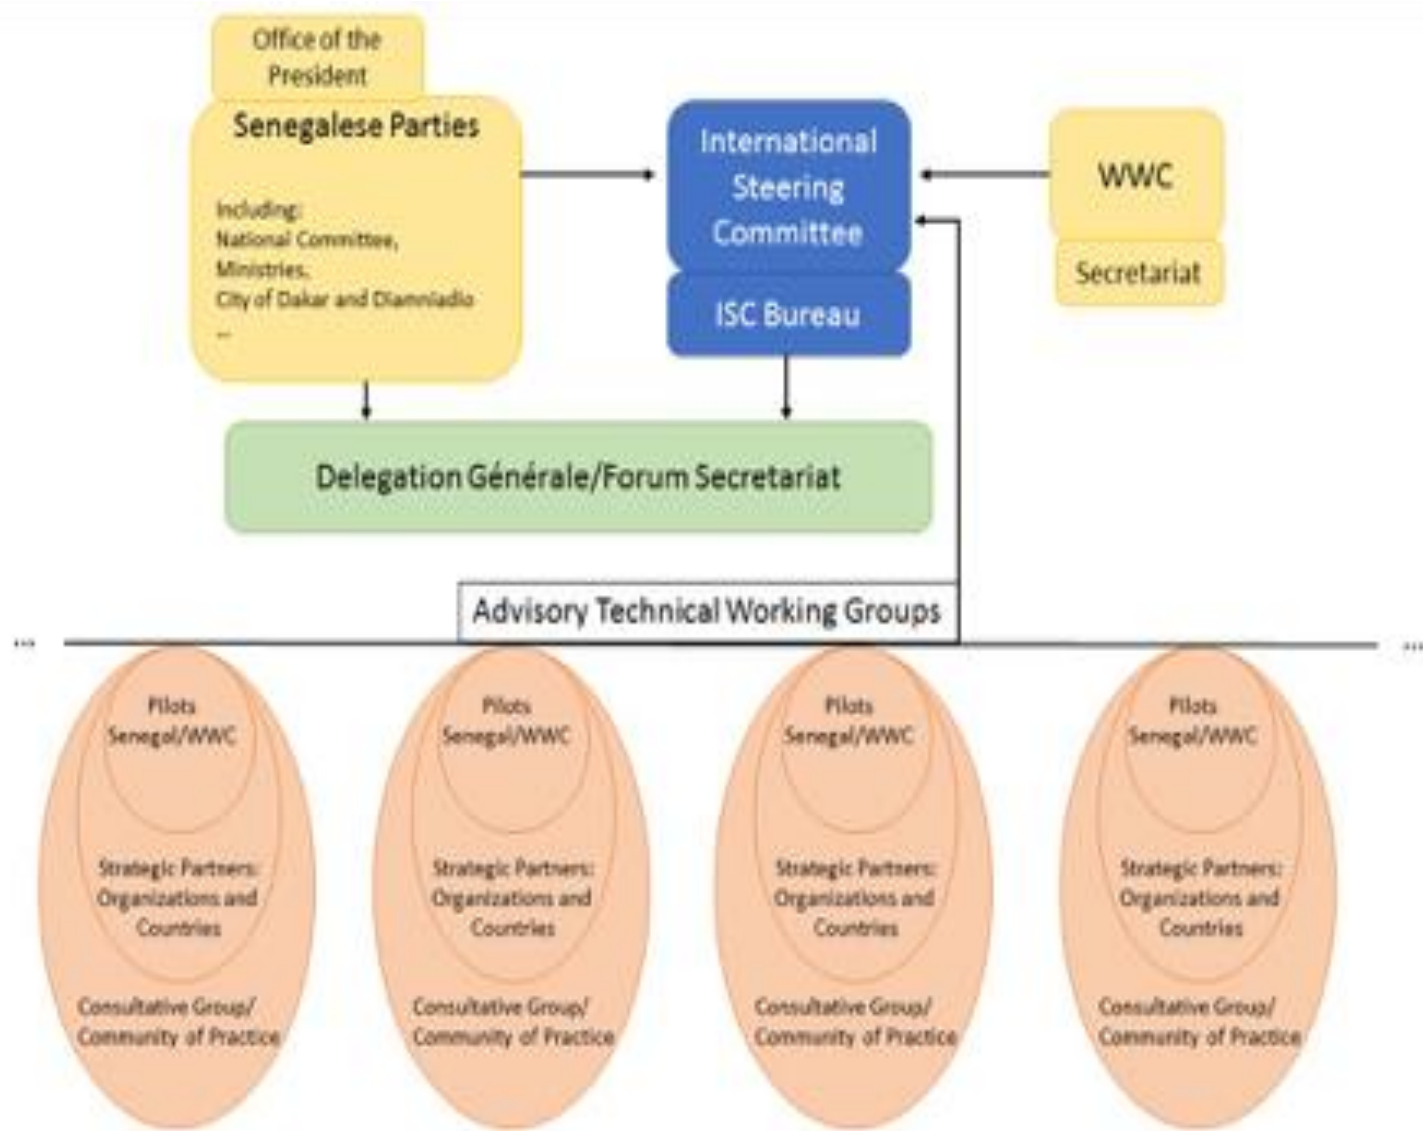

"DAKAR 2021": A NEW PROCESS

- ⊙ **Integrated process, focusing on four priority themes:**
 - Water security,
 - Cooperation,
 - Water & Rural development,
 - Means and tools (Innovation, governance, etc.).
- ⊙ Process facilitated by specialized working groups, **with an open interaction.**
- ⊙ Each working group, led by a small pilot group of co-organizers (Senegal and CME),
- ⊙ This pilot group is supported by a wider circle of strategic partners, organizations and countries, to be identified through an open and transparent process

"DAKAR 2021" A NEW CONCEPT OF WWF

"DAKAR 2021": OPERATIONAL FRAMEWORK

" DAKAR 2021 INITIATIVE»

- ⦿ **Labeled support projects, for tangible results to be presented at the forum in 2021:**
 - ⦿ **By 2021 at least two thousand and twenty one communities in each region of the world, where applicable, will have access to portable water and decent sanitation (SDG 6.1 6.2);**
 - ⦿ **By 2021 at least two thousand and twenty one schools in each region of the world will have water and decent sanitation;**
 - ⦿ **By 2021 at least two thousand and twenty one water professionals will be trained to close the capacity gap;**
 - ⦿ **By 2021, Transboundary River Basins organizations will adopt at least twenty one communities to provide them with portable water and sanitation;**
 - ⦿ **By 2021, at least 5 River Basins per region will have legal protocol;**
 - ⦿ **By 2021, an international water fund (Blue Fund) is established.**

«DAKAR 2021»: ROADMAP

- ▶ By the end of September 2018, for each thematic priority, a call for candidates / partners / preparatory meetings.
- ▶ At least four preparatory meetings will be organized before February 2019.
- ▶ A kick-off meeting in Senegal at least 24 months before the 9th World Water Forum (setting up a detailed framework and multi-level working groups).
- ▶ From April 2019 to February 2020 short-term results and long-term objectives will be defined through meetings and collective exchanges around the world or on a virtual platform.

«DAKAR 2021»: ROADMAP

- ▶ A schedule of the week of the Forum will be available 18 months before the event.
- ▶ A second stakeholder consultation meeting will be held at least 12 months prior to 9WWF. It could be replaced by smaller regional meetings.
- ▶ From April 2020 to February 2021, the development of the program, the organization of the event and the synthesis of progress.
- ▶ In March 2021 at the 9th WWF, will be presented the answers and the final results to lead to concrete initiatives and demonstrative responses.
- ▶ Results monitoring and evaluation mechanisms will be put in place to capitalize on the progress of the 9th to 10th WWF.

9WWF, IN CONCLUSION

- ⊙ "Dakar 2021", a global Forum in Africa, renovated (content and process), contextualized, connected, concrete, political, participative, effective responses.
- ⊙ "Dakar 2021", a global platform to illustrate responses, consolidate and accelerate water commitments.
- ⊙ "DAKAR 2021": LAUNCH OF NEW GLOBAL "FAST TRACK" INITIATIVES OF THE 2030 SDGs.
