

أهداف

Objectives

- The partners have a sense of ownership with regards to sanitation and hygiene policies and see those as part of their ministry's responsibility.

(Arabic translation)

- Necessary steps and approaches to ensure sustainability of the project measures are identified.

(Arabic translation)

Objectives

أهداف

- The partners endorse the project, its vision for the future phase and are motivated to continue cooperation to implement the measures.

(Arabic translation)

- Sanitation for Millions knows where the partners see bottlenecks and how to overcome them.

(Arabic translation)
