

THE AFRICASAN MOVEMENT: SETTING THE SANITATION AGENDA IN AFRICA

AfricaSan International Taskforce
World Water Week
30th August 2018

2018

AfricaSan

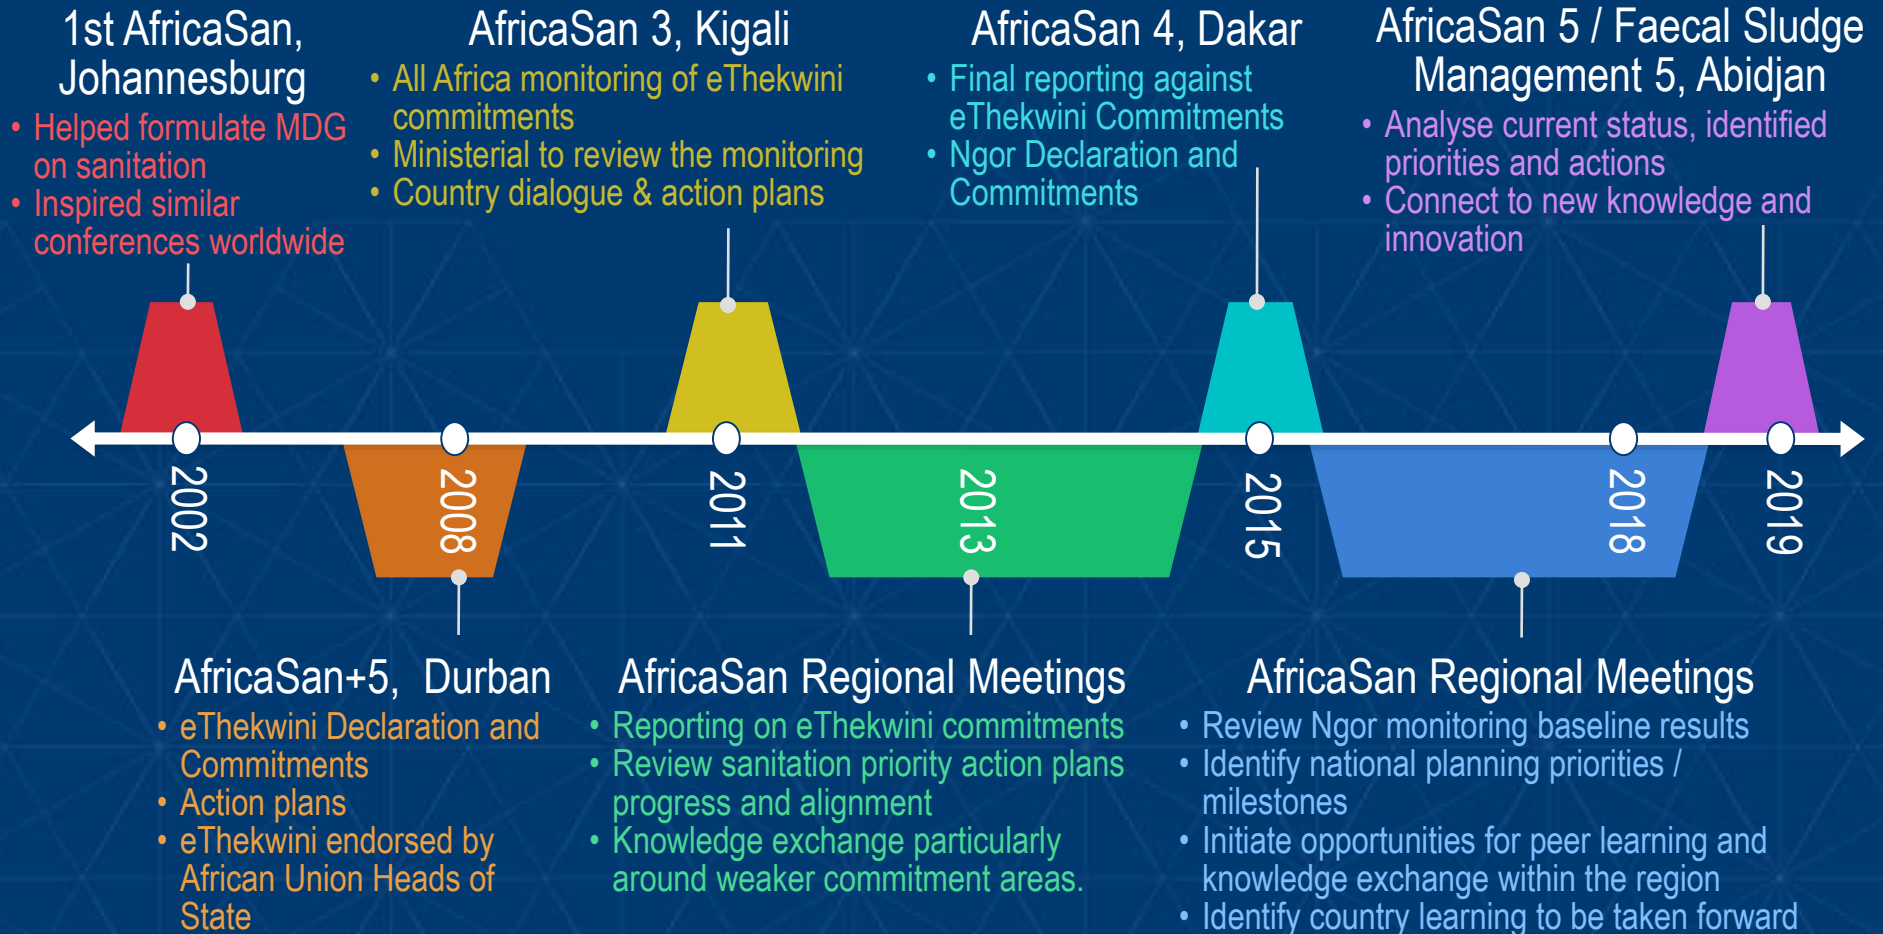

SESSION OUTLINE

1. The AfricaSan Movement
2. The AfricaSan International Taskforce
3. AfricaSan5 themes
4. World café conversations

AFRICASAN MOVEMENT

VALUE OF THE AFRICASAN MOVEMENT

Legal Pad

Countries with action plans, regular reporting against eThekweni commitments and that have participated in AfricaSan regional and continental meetings have higher reductions in open defecation - an average drop in open defecation by 2.36% - compared to an average of 1.03% for countries who have been less active in AfricaSan processes*

*Coombes, Hickling, Radin. 2015.

NGOR DECLARATION ON SANITATION AND HYGIENE

Adopted at AfricaSan 4, May 27th 2015

AfricaSan

AFRICAN MINISTERS' COUNCIL ON WATER

THE VISION

To achieve universal access to adequate and sustainable sanitation and hygiene services and eliminate open defecation by 2030.

AFRICASAN 5

Transforming Sanitation in Africa: Accelerating Progress Towards the Ngor
Commitments to achieve the SDGs

18-21 February 2019 - Abidjan, Cote d'Ivoire

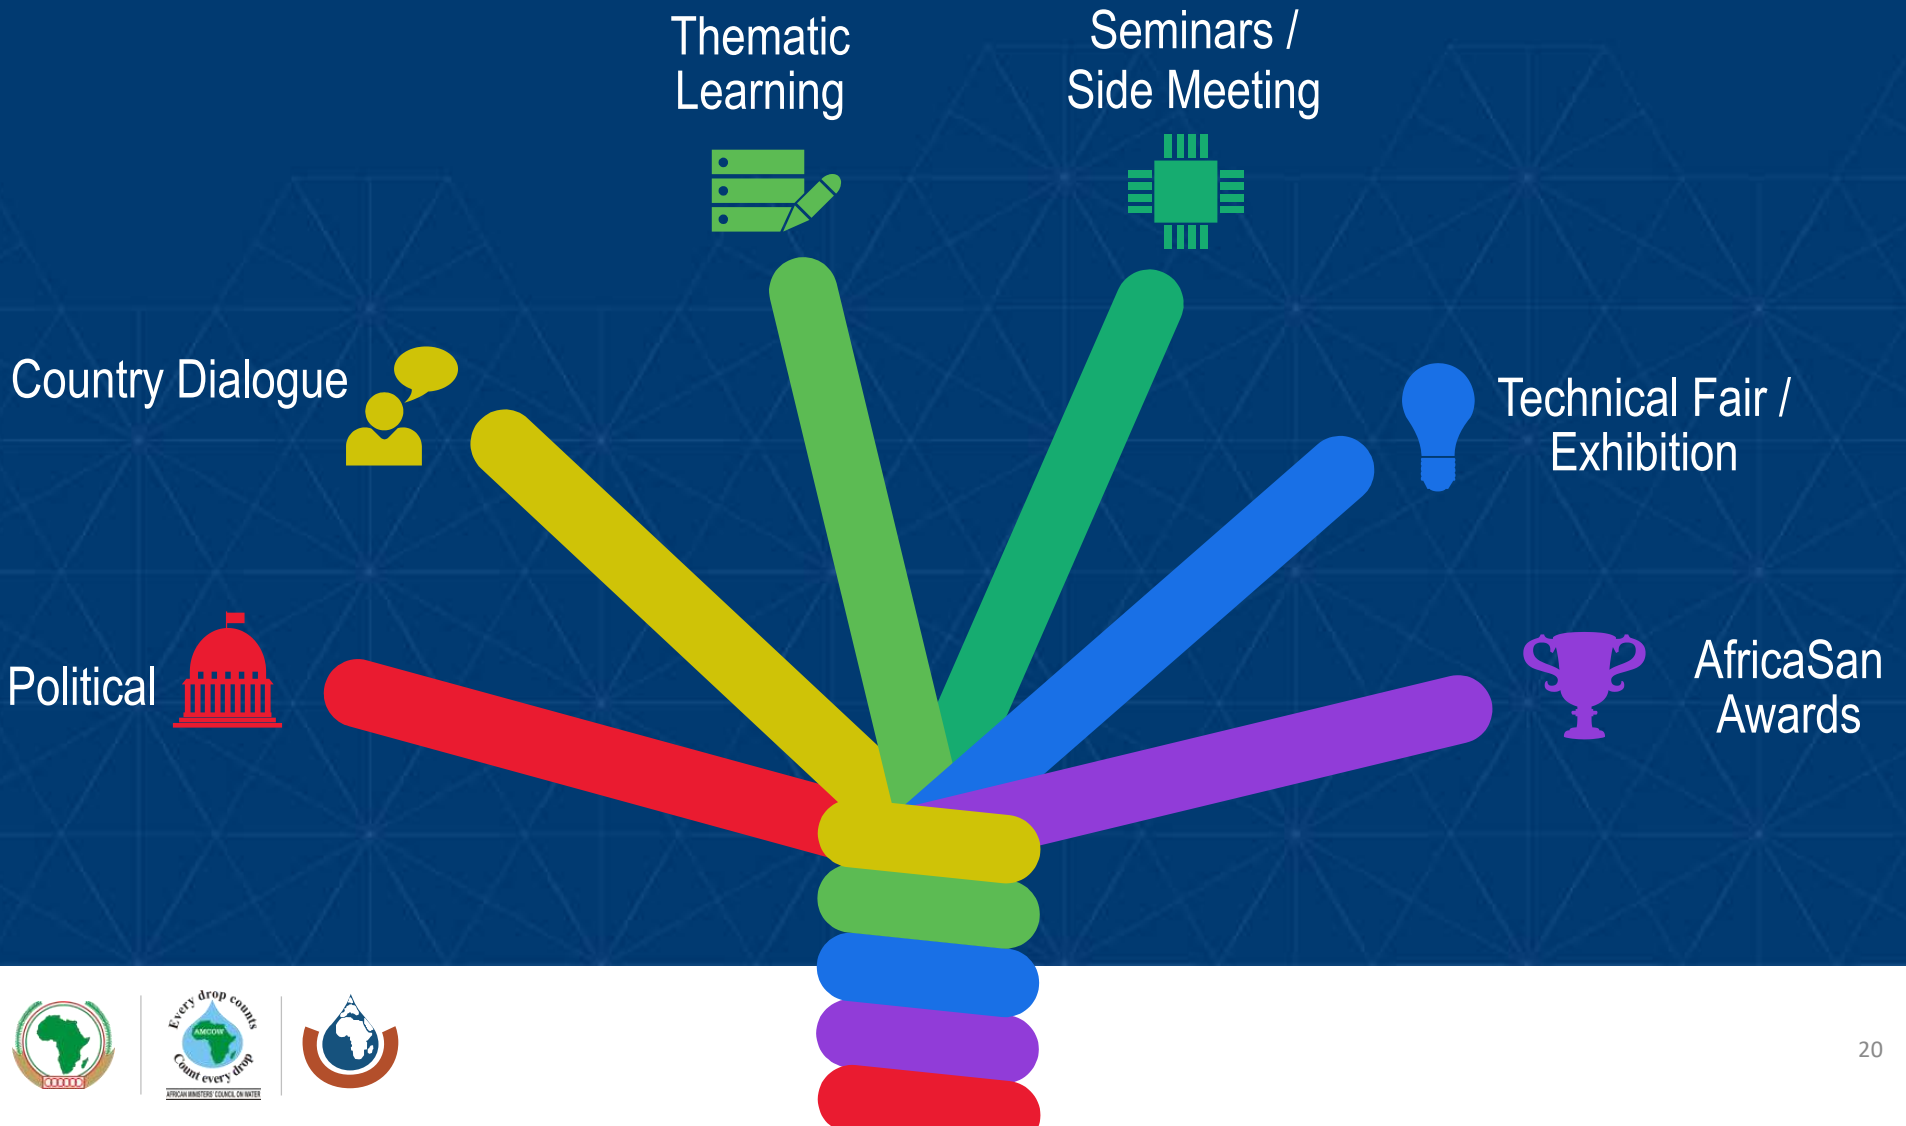

AfricaSan

AFRICAN MINISTERS' COUNCIL ON WATER

SIX INTERCONNECTED STREAMS

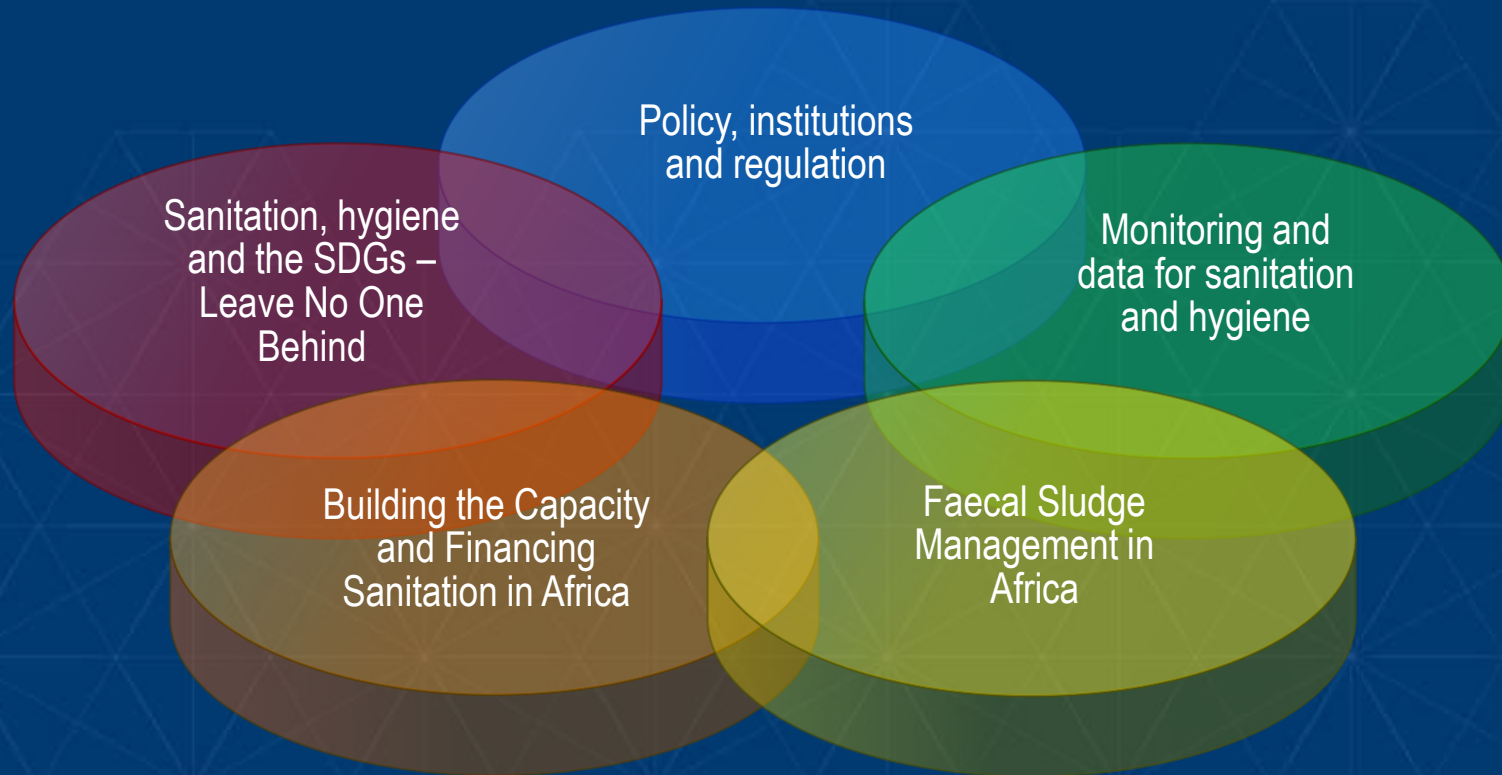

THEMATIC SESSIONS

Thematic technical sessions: transferable knowledge, ideas, and solutions that countries can replicate in order to accelerate progress in sanitation and hygiene.

AFRICASAN 5 THEMATIC SESSIONS

AFRICASAN 5 THEMATIC SESSIONS

Sanitation, hygiene
and the SDGs –
Leave No One
Behind

- Reaching the poorest
- Inclusion
- Youth and young people engagement
- Gender
- Women
- Capturing sustainability within the SDGs – sustainability of services, sustainability of hygiene behaviour change
- Hygiene within the SDGs – how is the focus on hygiene being addressed
- WASH in institutions as an SDG focus

Policy, institutions
and regulation

- Sector reform
- Linking with SWA/HLM Collaborative Behaviours and Mutual Accountability Mechanism
- Hygiene budgets

AFRICASAN 5 THEMATIC SESSIONS

Monitoring and
data for sanitation
and hygiene

- Baseline and targets – where are we now?
- SDG monitoring
- WASH in institutions monitoring
- Ngor commitment monitoring
- Measuring impact of programmes on vulnerable groups

Building the Capacity
and Financing
Sanitation in Africa

- Commercial and user-based financing
- Public financing
- Capacity building
- Engaging training institutions for sanitation and hygiene
- Planning sanitation and hygiene capacity

AFRICASAN 5 THEMATIC SESSIONS

Faecal Sludge
Management in
Africa

- Urban FSM models
- Service models for FSM in rural areas,
- Institutional FSM
- Building the sanitation economy in Africa

This Theme will be organised under FSM 5

THE AFRICASAN INTERNATIONAL TASK FORCE

In 2017 THE AITF was restructured to become “a **think-tank for sanitation improvement in Africa**”.

The restructuring process aimed for:

- Greater collaboration between organizations in the task force to work collaboratively towards a common goal of improving sanitation in Africa, and to engage in activities to develop the sanitation sector in between AfricaSan meetings
- Increased member state involvement

AITF MISSION

To support AMCOW through a member state driven multi-stakeholder partnership for transformative action to achieve the Ngor commitments for universal sanitation and hygiene

Strategic objectives:

To position the task force for thought leadership; experiential learning; inclusive participation; monitoring and evaluation; support to high-level advocacy for resource mobilization

THE AFRICASAN INTERNATIONAL TASK FORCE

Monitoring & Learning

- Revise indicators and guidance for Ngor and SDGs
- Support countries to monitor & report
- Provide analysis and showcase

Urban Sanitation

- Model approach for country level analysis of root causes of urban sanitation systems failure
- Analyze urban sanitation Finance, Coordination, and Policy.
- Capacity needs and gaps analysis of urban sanitation

AITF
Coordination Unit

- Organize the AfricaSan Conference and other related activities.

AfricaSan processes

- Identify bottlenecks to improving access to rural sanitation in Africa
- Knowledge management and learning
- Analysis

Rural Sanitation

KNOWLEDGE MANAGEMENT AND EMERGING RURAL SANITATION TOPICS

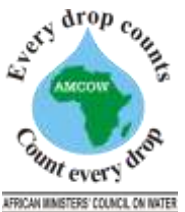

The work of the Subcommittee on Rural Sanitation

African Development Bank – Subcommittee Lead

AfricaSan

AFRICAN MINISTERS' COUNCIL ON WATER

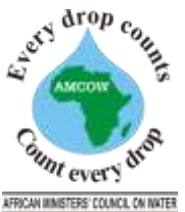

ADVANCING AFRICAN URBAN SANITATION

The work of the Subcommittee on Urban Sanitation

Africa Water Association – Subcommittee Lead

AfricaSan

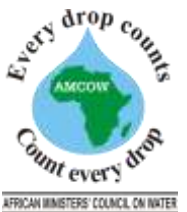

MONITORING AND LEARNING

The work of the Subcommittee on Monitoring and Learning

UNICEF and USAID – Co-leads

AfricaSan

AFRICAN MINISTERS' COUNCIL ON WATER

WORLD CAFÉ!

Instructions

1. Go to one of four cafes.
2. Listen to the Subcommittee's presentation
3. Ask questions, offer comments, let people know who you are.
4. Remember we only have ~10 minutes per café. Be succinct and to the point.
5. Rotate to your next café.

Members of the Subcommittee on Monitoring and Learning will be rotating between cafes to capture highlights of the discussion to summarize at the end of the session.

SHOWCASE EVENT WRAP-UP

1. How well do the AfricaSan 5 themes and results resonate?
2. What further opportunities are there to engage the AITF and who do you talk to?
3. Upcoming events
 - Subregional Meetings – Nairobi (Sep 18-20), Johannesburg (Sep 25-27), Cairo (Oct 8-14), and Libreville (Oct 25-27)
 - Africa Water Week, Libreville (Oct 29-Nov 2)
 - AfricaSan 5/FSM 5, Abidjan (Feb 18-21, 2019)
