

Leave No One Behind

UN WATER
22 MARCH
WORLD
WATER DAY
2019 Leave no one behind

Water is
a human right

**WORLD
WATER
DAY**
2019

WHO is left behind and WHY?

Put a **spotlight** on
people currently **left
behind** and their
rights to water and
sanitation by
changing **attitudes**,
shaping **culture** and
increasing **awareness**.

WHAT needs to be done?

Help **policy makers** understand their human rights obligations to leaving no one behind in water and sanitation and **promote changes** in policies and regulations to include a **human rights based framework**.

HOW to make
changes?

Help local
authorities and
service providers
take a rights based
approach to target
people currently left
behind.

Thank you.
