

Anna-Karin Wickström

Anna-Karin Wickström is a communication officer at Sydsvatten AB, a municipality-owned company that produces drinking water for 900 000 inhabitants in the south of Sweden. Her main duties are Sydsvatten's communication projects Drick kranvatten/Drink Tap Water (runs since 2008) and Tänk H<sub>2</sub>O!/Think H<sub>2</sub>O! (runs since 2014). Anna-Karin has a background as a journalist and as a teacher of lower and upper secondary school. She has a great interest in outdoor environmental education.
