Water and Job Opportunities:

A CRITICAL NEXUS FOR GROWTH

Stockholm | Sunday 28 August 2016

SPEND YOUR SUNDAY WISELY, JOIN THIS SEMINAR AND CONTRIBUTE TO ANSWERING THE FOLLOWING QUESTIONS

- How can employment policies be harmonized across sectors and levels of administration?
- What are the entry points to strengthening the labour market and green infrastructure?
- How can career opportunities, incentives and management strengthen water-related competency frameworks?
- How can workers' participation be improved?
- How can multi-stakeholder partnerships create opportunities to strengthen livelihoods along value chains.
